INTERIORS BOUTIQUE

INTERIOR DESIGN

Portrait Interiors was established in the year 2009 to serve the elite community with high quality elite and distinguished products, we rely on our extensive experience in design and our engineering background to provide utmost satisfaction to our clients.

Our interior design studio acts as the backbone of our organization, we strive to provide our clients with maximum functionality and distinguished designs satisfying the clients' taste and functional requirements.

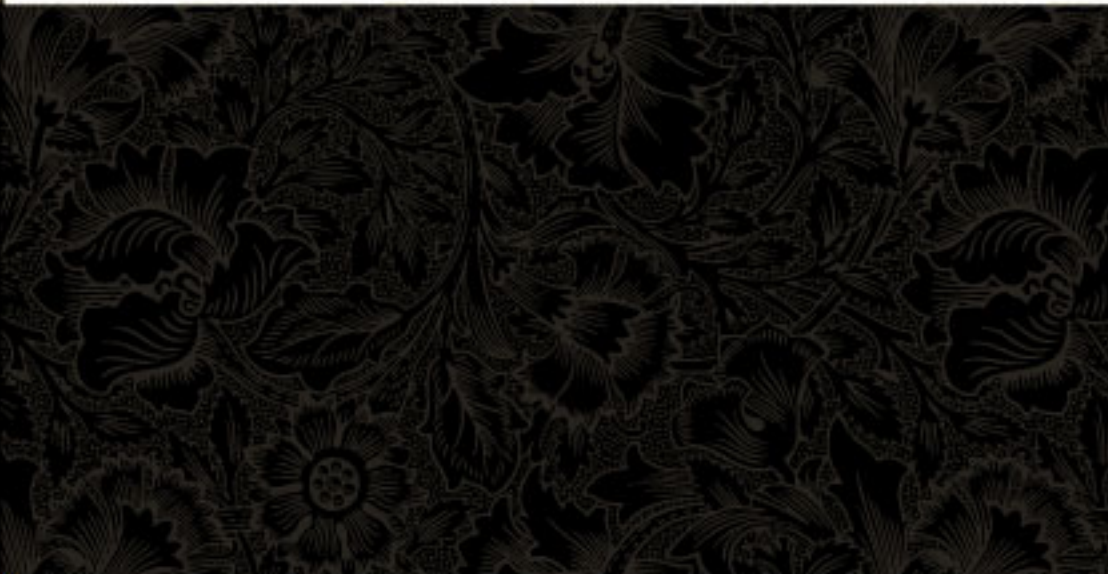

We provide the full range in interior design jobs, from design, supervision to actual on site construction. Our teams of professional craftsmen are highly trained to provide the highest quality achievable.

Our disciplines are diversified including residential, commercial, retail and hotels; our CV is full of successfully completed projects and satisfied clients.

We at **Portrait Interiors** consider ourselves as the market leader in the supply and installation of wall paper material; our sources are all high quality certified manufacturers providing the highest quality material available in the world, the designs and color ranges are infinite to suite every taste and style; from retro/vintage style to classical and contemporary styles, we provide the largest collection of wall paper in the market.
