Corporate Profile

Products **& Services**

Contract Interior

Contract Interior

Contract Interior is a term used to describe a job from A to Z, from Concept Design to final handing over; i.e. Turn Key Contract.

This is a specialty of the few, it involves huge coordination efforts between multi-disciplinary parties, and a strict commitment to the principles of Modern Project Management.

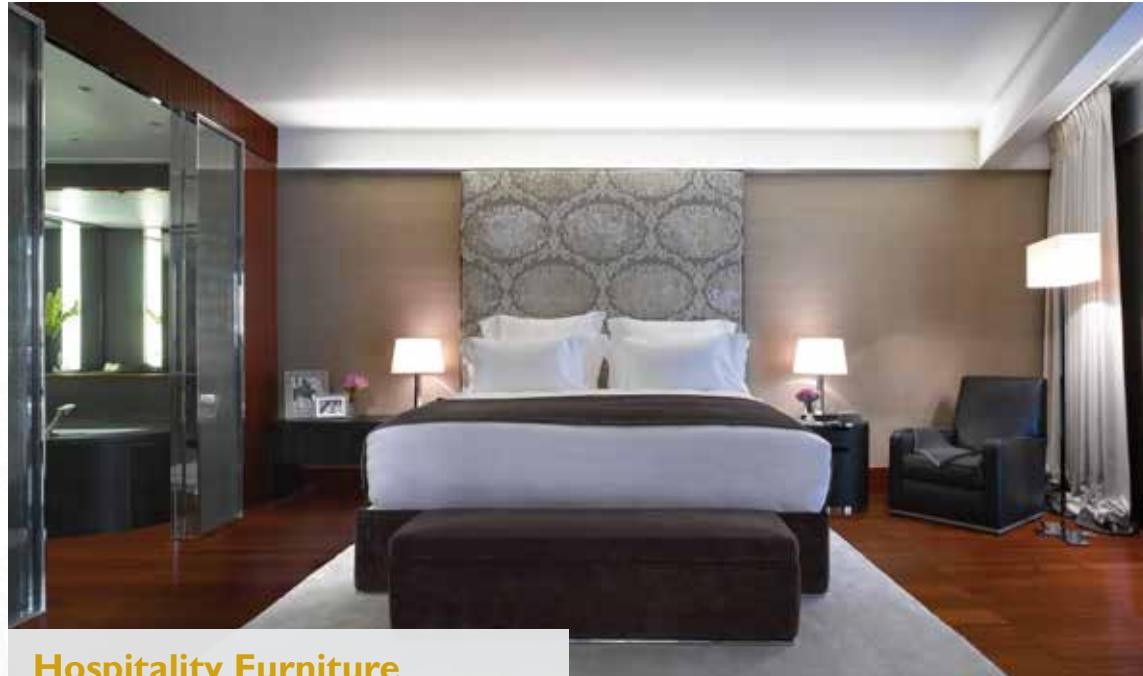

We provide this service utilizing our experience and in-house disciplines along with outsourcing the parts of work that cannot be produced in-house.

Hospitality Sector Contract Interior is our main stream in this specialty, along with other sectors like residential and commercial.

We specialize in Hotel and Resort furniture supply and installation, and are a major agent and representative of many international hotel furniture and lighting manufacturers.

Hospitality Furniture

Hospitality Furniture

Portrait Interiors provides complete hospitality furniture solutions, from design to manufacturing, supply and installation.

We manufacture locally in addition to representing several international renowned manufacturers and brands.
