Office Furniture Integrated Systems

ofis

Office Furniture Integrated Systems (ofis) is all about creating a comfortable and functional working environment.

As proven by the latest studies on human behaviour, environment and the surrounding atmosphere is a key player in human efficiency, and part of the working environment is directly related to the office furniture and tools utilized by workers. We at ofis understand this clearly, and try with our office furniture solutions to maximize users comfort and hence attain better efficiency for organizations utilizing our furniture systems.

ofis solutions are complete and provide a functional and an economical choice for organizations seeking to get the best out of it's employees.

All ofis solutions are green solutions made from environment friendly materials, and are fitted with the best accessories to provide comfort, durability and function.

ergo

ergo is a special line formulated to provide maximum functionality, comfort and economy.

The line is manufactured from Laminated MDF panels that are scratch resistant and provide a sturdy structure and an attractive look.

The Laminate is available in various colors and shades of natural wood grains.

The system is designed in a modular way that allows interlocking of furniture, thus providing maximum functionality and space utilization.

Heavy duty fixers and accessories are utilized to provide functionality, comfort and durability.

ergo is a green product.
